DIRECTOR'S MESSAGE

Huron Township residents, business owners, friends, and neighbors,

This year marks my four-year anniversary as your Chief of Police. Four years ago, the residents of Huron Township welcomed me with open arms and since then, it has been my mission to ensure that we provide our citizens with exceptional police and fire services. I must first thank the Supervisor and the Board of Trustees for their unwavering support of public safety over the past four years. I must also thank my hard working, professional, and dedicated command staff who stands by my side every step of the way. Over the past four years, we have seen some remarkable changes and accomplishments within the public safety departments. Most importantly, we have made some great strides in building a strong relationship within our community and hope to see our community partnerships continue to grow. Relationship building is one of our most important fundamental principles and is something that we can all participate in to eliminate the negativity and deficiencies that impacts all of us. Initiatives such as the Citizen Police Academy and Shop with a Hero are great examples of things that we can accomplish when we all work together.

The Huron Township Department of Public Safety embraces a community-based problem-oriented, data-driven policing strategy that emphasizes the use of problem-solving and community policing techniques and a reliance on data to identify threats, measure the results of our interventions, and to hold ourselves accountable; to each other and the community.

In the last four years, with some help from our community partners, we have created new units such as our Neighborhood Coordinators, Mounted Patrol (Sponsored by Chapps), Detective Bureau, Bicycle Patrol (Sponsored by Applefest Committee), Explorers (Sponsored by the Huron Rotary Club), Honor Guard, Problem-Oriented Policing, Community Policing, Computer Forensics, Motor Carrier and Evidence Technician. We are represented on the FBI's Crime Against Children Task Force, a nationwide task force that saves children who have become the victims of Human Trafficking. We continue to have one of the areas most respected and prominent Reserve Police Officer Units made up of community volunteers. We have a K9 Unit

that is working to get illegal narcotics out of our community. Our four legged and most popular “Chief”, who was named by our school children, has quickly become a valued member of our department and community. We have reinstated our School Resource Officer in the Huron School District, while continuing to provide the same service at Summit Academy Schools.

Since 2014, we have equipped our officers with equipment such as bullet-proof vests and patrol rifles. We have made good on our promise of transparency through the use of officer worn body cameras. In-car computers have kept our officers in the community rather than in the station writing reports.

We have a 24-hour Emergency Dispatch Operations Center that is second to none. An experienced, well-trained dispatcher is able to gather a lot of high quality, vitally important information that can help first responders form an early understanding of what they will be facing upon arrival at the emergency scene. Our dispatchers are the unsung heroes. They are the glue that holds our Public Safety Department together and each help assure that our first responders go home safely to their family each and every night.

The thing that I have been the most impressed with in these past four years is the incredible work and dedication displayed by the men and women who put on the Huron Township Public Safety uniform. Police Officers and Firefighters put their lives on the line every day to keep us, our families and our community safe. They put themselves directly into situations most of us would run away from and see things daily that most people would rather not think about.

In July of 2016, I was appointed to be the Director of Public Safety, which gave me the opportunity to lead our top-notch Fire Department. I cannot express in words the admiration that I have for the work our firefighters do. Watching our firefighters, under the great leadership of Chief Jamie Hinojosa, run into burning buildings while everyone else is running out is something they will never get enough credit for. My family and I sleep comfortably at night knowing that if we need them, they will always be there.

I want you to know that I realize that there is still much work to do and that we must keep working daily with our community stakeholders, each of you, every hour of every day. Once again, it has been an honor and a privilege to serve this great community that my family and I call home. As always, my door is always open. I look forward to what we can accomplish together in the next four years.

Respectfully,

*Everette Robbins
Huron Township Director of Public Safety*

SUMMARY OF OFFENSES, ARRESTS, AND VIOLATIONS

The primary goal of the department is protection of life and property, prevention of crime, and apprehension of criminal perpetrators. We strive to deliver the best possible police service in a professional, courteous manner to the residents of the township and to those who work and travel here.

In 2018, we responded to 2,730 calls for police service; *a decrease of 4.139%* from the previous year. The majority of these calls are classified into three separate groups:

Group A includes: Homicide, Kidnapping, Robbery, Forcible Sexual Assaults, Aggravated and Non-Aggravated Assaults, Larceny, Burglary & Damage to Property.

Group A incidents were down 37.162 %.

2018 = 296

2017 = 406

Group B includes: Operating While Intoxicated (OWI), Disorderly Conduct, Liquor Law Violations, Misdemeanor Sex Offenses & Non-Violent Family Offenses.

Group B incidents were down 12.19%.

2018 = 164

2017 = 184

Group C includes: Traffic Offenses, Juvenile Offenses & Warrant Arrests.

Group C incidents were down 2.89 %.

2018 = 933

2017 = 960

Traffic citations were **down** 3.95%.

2018 = 19,855

2017 = 20,641

Traffic accidents were **down** 8.85%

2018 = 260

2017 = 283

Arrests were **down** 11.84%

2018 = 1,401

2017 = 1,567

Fire Department calls for service were **down** 8.645%

2018 = 1,145

2017 = 1,244
