Re: Resident Appreciation

Date: January 30<sup>th</sup>, 2019

On January 14<sup>th</sup>, 2019, you were dispatched to the 28000 block of Charlemagne in reference to a "father" who was not breathing and unresponsive. Immediately upon your arrival at the scene and in the presence of the family, you checked the victim's pulse and began administering CPR until Paramedics arrived. Unfortunately, and despite everyone's best efforts, the victim was pronounced deceased.

On January 15<sup>th</sup>, 2019, I received an email from the victim's son relaying his appreciation for not only your actions, but your compassion for the family. The Huron Township Police Department's core values are Professionalism, Quality Service, and Community Partnerships. In the email from the victim's son, he stated that you were an "outstanding human being that takes his job to the upmost level of *professionalism*." He continued to speak of the *quality service* you provided to his family by stating that you "went over and beyond of what he really had to do sitting with my mother" and "he stayed with my entire family and did his best to support us." Strong *community partnerships* are built one interaction at a time with the residents we so proudly serve. The email further stated that although one of the worst moments of this person's life, he had "never in my life had a better experience with any police officer. In a time where so many police officer stories are being released to reflect on them in a negative way, it's these stories you don't hear about."

Your actions and the exemplary service you provided epitomize our organization's core values. It is clear the compassion you showed this family will not soon be forgotten. Your outstanding work reflects well upon us all and we, and the residents of Huron Township, are very fortunate to have you as a valued member of the Huron Township Police Department. Thank you for representing our public safety family so well and for all that you do. On behalf of the entire agency, please accept this letter, along with my appreciation, for a job well done!

Sincerely,

Everette Robbins
