

Dear Brown Bobcat Parents and Families,

For the last eleven years, I have been proud to serve as a teacher and principal at Brown Elementary School in the Huron School District. This experience has been one of the most fulfilling professional experiences of my life. Nevertheless, my wife and I recently made the decision to relocate our family to another state. As a result, I have stepped down as the principal of Brown Elementary School.

I will truly miss the students, parents, staff and community members in the Huron School District. I have worked with some of the best teachers in the state during my time in Huron, and I have been supported by my fellow administrators and colleagues in Central Office. I could not have asked for a better custodial and support staff, and I will miss working with them on a daily basis. The students and families have been supportive, and I have enjoyed every minute of my work as a teacher and administrator.

I have spoken with Mr. Rowe, Superintendent of the Huron School District, and he will be working to post the principal position and schedule interviews in order to secure a new principal before the start of school for students. This is a comprehensive process, but it should be complete before the end of August.

I want to thank the parents, students, teachers, support staff, administrators, superintendent, and central office staff for making Huron a great place to be. Thank you again for all of your support, and I wish you all the best. GO BOBCATS!

Sincerely,

A handwritten signature in blue ink, appearing to read "Cory Pengelly".

Cory Pengelly  
Principal, Brown Elementary School
